

SOLIHULL AU PAIR & NANNY AGENCY

About Mrs Lorraine Bushell and the Nanny/Au Pair enterprise

Lorraine Bushell (formerly Bass) started running the **Edgware Au Pair Agency** from her home in **Edgware** some 50+ years ago.

In 1987, **Lorraine** opened the **Solihull Au Pair & Nanny Agency**.

Lorraine places living out **Nannies** and living in **Au Pairs** in the **West Midlands** areas and has a vast experience in this field

Lorraine deals with the placement of **Nannies** in and around the **West Midlands** area and welcomes new **Nannies** and new **Families**. All **Nannies** are qualified, police and reference checked First Aid qualified and all are personally interviewed at length.

Baby-Sitters to the **West Midlands** area are also supplied, even on a one off basis. If for example a family is coming to the **National Exhibition Centre** bringing their children with them, or staying in a **Birmingham** hotel and needs a **Baby-Sitter** to come to the hotel, then this can usually be arranged with some prior notice.

Au Pair placements are usually for a 12 month's period. **Lorraine** works with many **European Agencies** and only accepts **Au Pairs** who have a fair knowledge of English, child-care experience and who are willing to help in the home with light housework.

We offer a wide range of placements, including:

- **Both male and female Au Pairs**
- **Summer Au Pairs**
- **Mother's Helps**
- **Nanny/housekeepers living out.**
- **Nannies (throughout the West Midlands area)**
- **Granny Nannies and granny au pairs, people aged 50 plus looking to come to the UK from abroad to live as part of a family.**
- **A wide choice and express placement service**
- **Emergency nannies**
- **Emergency babysitters**
- **Maternity nannies**
- **Proxy parenting**
